

# GORILLA EXPENSE TIMESHEET

Instant mobile + web time tracking that seamlessly integrates with your ERP system

**We believe tracking time should not be, well....time consuming.**

Gorilla Expense Timesheet is accessible anytime and anywhere while making it easy for users to submit and managers to approve timesheets.

Gorilla Expense's timesheet solution eliminates time-consuming, manual processing with an **easy**, **powerful**, and **dynamic solution** that suits your time tracking needs:

- Track time instantly
- Classify time as billable and non-billable
- Tag customer and project information
- Reduce errors
- Maintain robust approval workflows
